this matter, we do not view it as an internal control issue, but more a matter of professional judgment in applying this particular element of an accounting standard.

We agree with the audit observation. Accordingly, the University has since implemented depreciation for library books as further discussed in Note 17 of the financial statements, in accordance with GASB Implementation Guide Q&A 7.9.2. Disposition of library books and the useful life of library materials will be assessed in the capitalization and depreciation policy.
