# Land Grant Endowment Funds

The University of Alaska Land Grant Endowment has its origin in the federal land grant acts of 1915 and 1929 and subsequently the Alaska Statehood Act. Approximately 110,000 acres of land were transferred to the territory of Alaska and eventually to the Board of Regents to be held in trust for the university. The net proceeds from the sale, lease, exchange and other uses of these lands have been deposited in the University of Alaska Endowment Trust Fund as provided by Alaska Statue 14.40.400. Alaska Statute 14.40.400 gives the Board of Regents the authority to manage the endowment under the total return

# Natural Resources Fund

The Natural Resources Fund represents spendable funds d	designated by regents' policy to provide support for UA
